

General Information

The following pages provide information about costs, admissions, financial aid and majors at Kentucky colleges.

In addition to the tuition and fees and the room and board costs shown, there are other costs associated with college: books, supplies, transportation and personal costs.

These can range from \$2,500 to \$7,500 depending on where you go and your lifestyle.

Information in this chapter will almost certainly change before you start college. For the most up-to-date information, contact the school you plan to attend.

Included in this section of this chapter is information about Kentucky four-year and two-year degree-granting colleges and universities and seminaries. Four-year, degree-granting schools offer bachelor's degrees, and many offer advanced degrees as well. Two-year, degree-granting schools offer associate degrees, and many also offer certificates and diplomas. Seminaries offer advanced degrees in theological studies. The final section has information about trade schools whose programs do not lead to two- or four-year degrees.

Trade Schools

What most people call trade schools are technically called proprietary schools. We've used the general term for the most part in *Adults Returning to School*, but you'll sometimes see "proprietary" in the following pages. The agencies below license trade schools in Kentucky and can be contacted for more information about the training programs listed in this section as well as those of other trade schools not included in *Adults Returning to School*.

▼ State Board for Proprietary Education

P.O. Box 1360
911 Leawood Drive
Frankfort, KY 40602
